| Date          | 15 July 2026                    |
| Team ID       | SWTID-2026-2089                 |
| Project Name  | Credit Card Approval Prediction |
| Maximum Marks | 3 Marks                         |

## Define Problem Statement

| Problem Statement | I am (Customer)                       | I'm trying to                           | But                          | Because                                                               | Which makes me feel |
|-------------------|---------------------------------------|-----------------------------------------|------------------------------|-----------------------------------------------------------------------|---------------------|
| PS-1              | A customer applying for a credit card | Get my credit card application approved | The approval process is slow | Financial institutions need accurate risk assessment before approving | Frustration         |
